Title

Aaa AUTHOR[1], Bbb AUTHOR[1,2*], Ccc AUTHOR[2] & Ddd AUTHOR[3]

[1]*Affiliation, City* 000000*, Country;*
[2]*Affiliation, City* 000000*, Country;*
[3]*Affiliation, City* 000000*, Country*

Please use this sample as a guide for preparing your letter. Please read all of the following manuscript preparation instructions carefully and in their entirety. The manuscript must be in good scientific American English; this is the author's responsibility. All files will be submitted through our online electronic submission system at HERE.

The examples at the bottom of the .tex file can help you when preparing your manuscript. We are appreciate your effort to follow our style [1, 2].

The first section introduces new features of your open-source dataset/tool/experimental platform. (1) Is the open-source dataset/tool/experimental platform special for a certain research area? Is the dataset difficult to obtain? Is the experimental platform hard to setup or construct? (2) Have you done any research on this dataset/tool/experimental platform? How about the results? (3) How about the influence of this dataset/tool/experimental platform? (4) Is there any comparison with relevant dataset/tool/experimental platform?

Usage. This section gives the usage of the open-source dataset/tool/experimental platform.

Access methods. Please write down the access methods of the open-source dataset/tool/experimental platform.
