²*Affiliation, City 000000, Country*

³*Affiliation, City 000000, Country*

Abstract An abstract (100–200 words) is a summary of the content of the manuscript. It should briefly describe the research purpose, method, result and conclusion. The extremely professional terms, special signals, figures, tables, chemical structural formula, and equations should be avoided here, and citation of references is not allowed.

Keywords keyword1, keyword2, keyword3, keyword4, keyword5

Citation Title for citation. Sci China Inf Sci, for review

1 Introduction

Please use this sample as a guide for preparing your article. Please read all of the following manuscript preparation instructions carefully and in their entirety. The manuscript must be in good scientific American English; this is the author's responsibility. All files will be submitted through our online electronic submission system at [HERE](#).

* Corresponding author (email: bauthor@xxx.com)
